

Your bi-weekly hot-sheet on all that's happening downtown.

Thursday, October 1

## What's New

### You'll click with the enhanced Downtown Yonge website

The Downtown Yonge Business Improvement Area has redesigned its website, making it easier to navigate, and introducing such useful features as Google maps and an online version of Yonge Buzz. Check it out at [www.downtownyonge.com](http://www.downtownyonge.com).

### A new Subway in town

A Subway Restaurant has recently opened at 777 Bay Street, on the market level near The Source by Circuit City. So where are you going for lunch today?

### Sears head office moving back to Yonge and Dundas

Sears Canada Inc. recently announced plans to move its head office to the Eaton Centre. Sears is currently headquartered at 222 Jarvis Street, just north of Dundas. Sears has not indicated a relocation date but the move is expected to happen within the next few months.

## In the Spotlight: Lege Artis Skin Care

Skin is always in at Lege Artis™ Skin Care Inc., even when temperatures begin to fall and people switch from summer wear to more covered-up fashions. That's because the aestheticians at Lege Artis — a Latin phrase that translates to "state of the art" — are experts when it comes balancing technology and artistry to achieve great skin. "Our goal is to achieve the best results with the mildest methods available so there's virtually no downtime," says owner Irina Revo, who was educated in Russia as a medical doctor and dermatologist. Lege Artis customers include people with acne and acne scars, aging skin, and unwanted hair. Depending on what each customer needs and wants, Lege Artis provides services that range from microdermabrasion and facial peels, to Intense Pulse Light therapy, laser and cold light therapy. The latter is delivered through a cutting-edge machine called Omnilux, which was originally developed in the United Kingdom to treat skin cancers but also proved to be effective in treating a host of other skin conditions.

Because it enhances skin tissue repair and regeneration, Omnilux is especially popular with customers who have sensitive skin, says Revo. To learn more about Lege Artis, located at 27 Carlton St., Ste 505, call 416-642-1382. Or visit [www.lege-artis.ca](http://www.lege-artis.ca).
